8.1 Collaboration in study groups is a huge part of surviving Harvard's tough academic load.
8.2 What 's great about Harvard and its surrounding area is that everything is so accessible.
8.3 I decided to visit both campus before making my final decision ,and to my surprise, fell in love with Harvard.
8.4 I applied as a pre-med student but this semester has shown that there are virtually limitless options to explore before declaring my major next year.
8.5 “being at Harvard can be overwhelming but there is no other place Id rather be.”

9.1 The thought she could compete and collaborate with excellent peers in this prestigious university filled her with excitement and passion.
9.2 Time has witnessed the long history, free academic atmosphere and energetic campus life of the university.
9.3 Nanjing, an ancient and beautiful city, has seen many significant historical events.
9.4 A visit to the places where he studied and worked during his youth brought back many fine memories.

8.1 I define creativity as the process of having ideas that have value .Creative work in any field often passes through typical phases.
8.2 It’s a dynamic process that often involves making new connections, crossing disciplines and using metaphors and analogies.
8.3 Creativity is about fresh thinking. It also involves making critical judgments about whether what you’re working on is any good, whether it’s a theorem, a design or a poem.
8.4 First, creativity ,like learning in general ,is a highly personal process. We all have different talents and aptitudes and different ways of getting to understand things.
8.5 Second, creativity is not a linear process, in which you have to learn all the necessary skills before you get started.

9.1 One of his artistic education ideas is that every child is an artist, and the problem is how to remain an artist once he/she groups up.
9.2 His suggestion is that the classroom should be a place where students feel safe to share to novel ideas.
9.3 The goal of this course is that students will embrace creativity and give wings to imagination without the fear of failure.
9.4 The problem we are facing now is that creativity and innovation are neither formal subjections on college and university campuses, nor are they emphasized in many major courses of study.

8.1 we may transport ourselves to the mountains or the seashore, and visit the most beautiful parts of the earth, without fatigue, inconvenience, or expense.
8.2 But …she said, I wist that all their pleasure in the park is but a shadow to the pleasure I find in Plato.

8.3 Books , indeed, endow us with a whole enchanted palace of thoughts.
8.4 Without stirring from our firesides we may roam to the most remote regions of the earth, or soar into realms where Spenser's shapes of unearthly beauty flock to meet us, where Milton's angels peal in our ears the choral hymns of Paradise.

9.1 Pescribing a character is to a writer what portraying a figure is to a painter.
9.2 The outline is to writer as the blueprint is to an architect.
9.3 As food is to the body, so is reading to the mind.
9.4 Just as a sword is the weapon of a warrior, a pen is the weapon of a writer.

8.1 After five minutes of crying, arguing and finally compromising, I decided that I'd go side if my mom came first thing in the morning.
8.2 He prompted us to remain grateful to God that we had ended up together.
8.3 Looking back, I'm astonished that, while it seemed everything in our lives was changing, nothing had changed whatsoever.
8.4 Most notably, I let go of the promise I had once made her that I would become a doctor.
8.5 With every step along the way, it became clear that letting go of my mother was the only way I would be able to live my life -a life in which I believed myself to be more than the daughter who wasn't good enough to be loved by her mother.

9.1 Resultantly, he came a famous philanthropist because of his unreserved effort in helping the poor.
9.2 Luckily, the doctor was vary patient, and didn't give up trying to help the patient.
9.3 Notably, the credits earned from open online courses have been officially accepted by many universities.
9.4 Most importantly, he has never forgotten his duty as a public servant.
